

## Advocacy

- Government & Economic Affairs Committee discussing the issues that effect your business and recommending action when needed
- Staff monitors government meetings and pending legislation and regulations and informs our members
- Sponsor of political forums on issues and candidates for election
- Chamber designated seats on several City committees
- Frequent participation on local Task Forces
- Partnerships with local, state, and federal representatives

*“The Oregon City Chamber has been a huge boost for our business. We have been able to improve and grow our business through exposure in the community and relationships with other local businesses. We are very thankful we made a decision to join the Chamber and get involved!”*

~ Shawnda Horn, Double J Construction, Inc.

Chamber members join together to raise a wall of the new education center at Hopkins Demonstration Forest.

## Mission...

Working together to build economic vitality and quality of life in the Oregon City community

## Guiding Principles

- Building a strong economy for Oregon City
- Connecting and educating businesses and customers
- Promoting Oregon City
- Advocating on behalf of business

## Did you know most businesses that join a Chamber of Commerce...

- desire being part of something bigger and connecting with the community?
- cite the importance of networking, referrals and business exposure?
- recognize the public is more likely to trust businesses associated with a Chamber?
- value the role Chambers play in developing a stronger local economy?
- realize they don't have time to represent their own business when it comes to regulations and ballot measures?
